

# Primera LX-400 Label Printer Supplies

[www.FoodSoftware.com](http://www.FoodSoftware.com)

Effective Date: 4/26/2010

This catalog is for food package labels and shipping labels and ink cartridges for **Primera** desktop label printers (4" print width with 5" label rolls), including the Primera model **LX-400** that is available from [www.FoodSoftware.com](http://www.FoodSoftware.com).

## How to Choose Labels and Ribbons

1. **Choose the label size and shape:** Labels are listed by increasing width and length in the *Label Catalog* table below. If you don't see a width and length combination that you need, try swapping width with length since labels can usually be printed sideways.
2. **Choose the right material and print method for your food package or shipping label:**
  - a. **Paper:** For general purpose, least expensive labeling for dry, room temperature conditions, choose paper labels (*TuffCoat High-Gloss*). Paper is the material in the chart below where the material is not mentioned.
  - b. **Plastics:** For labeling for exposure to extreme conditions of moisture, temperature and handling, or for clear labels. See the descriptions below for more details.
3. **Order Ink Cartridges:** Order as many as two ink cartridges per roll if your label design calls for full coverage of larger labels. You need to test for your actual requirements.

## How to Order

- Call **805-375-7000** during Pacific business hours to order.
- Use Product IDs to specify labels and ribbons exactly.
- If ordering cartridges for large, full-coverage labels, order as many as two per roll.
- Please order at least ten days in advance. Please call to check if you are in a hurry.
- You can **fax** this as an order form to **805-832-6397**. Please write your name and phone below so we can call you to complete this order:

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

## Ink Cartridges

**Color ink cartridges** – the same high-yield color cartridge is used with LX-400 and 800 series Color Label Printers.

053376 Color Ink Cartridge (LX400, LX800 and LX810 only) ..... \$ 49.95

## Label Stock – Standard Sizes and Materials

Primera's TuffCoat High-Gloss Labels are the perfect match for LX-Series dye-based inks. Compatibility and performance are guaranteed. Standard sizes are usually available for immediate shipment. Labels for LX400 are 5" maximum O.D. on a 2" core with a .125" corner radius. Unless indicated all rolls have perforations between labels.

**TuffCoat High-Gloss** – smooth, bright white face sheet with permanent, general purpose adhesive. Excellent adhesion to cardboard, metals and most plastics. High-gloss finish is very abrasion-resistant and highly water-resistant.

**TuffCoat Matte White Polyester** – bright white matte finish with abrasion resistance. General purpose acrylic adhesive with excellent adhesion to glass, metals and most plastics. Please inquire about specific sizes available and current pricing.

**TuffCoat Extreme™ Gloss White Polyester** – bright white shiny finish with excellent water resistance. General purpose acrylic adhesive. Must use reduced saturation settings in LX-Series printer driver software.

**TuffCoat Extreme™ Gloss Clear Polyester** – optically clear shiny finish with excellent water resistance. General purpose acrylic adhesive. Available Q1 2009. Must use reduced saturation settings in LX-Series printer driver software.

**TuffCoat Extreme™ White Matte Polypropylene** – Biaxially Oriented Polypropylene (BOPP) is a polypropylene film with a matte finish. Excellent clarity, resistant to oils and greases, good puncture and flex-crack resistance over a wide range of temperatures, not affected by moisture and doesn't wrinkle or shrink with environmental changes

**TuffCoat Tag** – same top coat as TuffCoat High Gloss but in a non-adhesive construction. Ideal for name and visitor badges.

<b>TOTALS</b>							

**Label Warranty Information:** Primera's TuffCoat High-Gloss and Semi-Gloss label materials have been specifically designed to be highly absorbent to allow water-based inkjet inks to dry quickly. While providing for immediate smudge-resistance after printing, this characteristic also makes the sheet receptive to certain airborne contaminants and could result in a discoloration of unprinted areas. Proper testing in the final application environment is strongly recommended, especially when used on or near products with aromatic vapors or products containing volatile solvents. *As with all pressure sensitive materials, this product should be tested thoroughly under end-use conditions to ensure it meets the requirements of the specific application.* Warranty: All statements, technical information and recommendations about PRIMERA TUFF COAT LABEL products are based upon tests believed to be reliable but do not

constitute a guarantee or warranty. All PRIMERA TUFF COAT LABEL products are sold with the understanding that PURCHASER has independently determined suitability of such products for its purposes. PRIMERA TUFF COAT LABEL products are warranted to the original purchaser to be free from defects in material or workmanship for a period of one year from date of shipment. Purchaser's sole and exclusive remedy for breach of this warranty shall be the replacement of the defective PRIMERA TUFF COAT LABEL products or, at PRIMERA'S option, the issuance of a credit or refund in an amount up to the purchase price of the defective product. In no event shall PRIMERA be responsible for claims beyond the purchase price of the defective product. Primera shall not be held liable for the integrity and/or longevity of any text, photographic images, digitized images, graphics, bar codes, or combination thereof that are produced, generated, or otherwise transferred to substrates by the use of Primera's hardware or software nor is Primera liable for the integrity, viability, or longevity of the data printed.

THE WARRANTY SPECIFICALLY SET FORTH ABOVE IS IN LIEU OF ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OR MERCHANTABILITY, FITNESS FOR ANY PARTICULAR USE AND/OR NON-INFRINGEMENT. PRIMERA SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER SUCH WARRANTIES. IN NO EVENT SHALL PRIMERA BE LIABLE TO PURCHASER OR ANY OTHER PARTY FOR INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES.
